

BENEFITS

SHOWERS WITH CAST ON

OPENCAST allows daily washing and showers with cast on. Water can be easily dried off with a towel and a hairdryer.

ODOR AND ITCH FREE

Perspiration quickly evaporates to prevent itchiness and unwanted odor.

VISUAL CHECK

Doctors and patients can visually monitor the condition of the skin through openings with cast on.

REPEATED WEAR AND REMOVAL

OPENCAST can be repeatedly opened and be reworn as needed.

STYLISH DESIGN

OPENCAST is made of fine materials and has a stylish design.

COMFORTABLE AND HYGIENIC

OPENCAST is comfortable and hygienic.
